## HYDRO EXCAVATORS ARE AVAILABLE FOR RENTAL AT QUALITY RENTS

Report by Terri Rodina

There are many options to choose from for renting TRUVAC® vacuum or hydrovac. Tough and dependable excavators are available in sub-compact, compact, and full size TRUVAC's. The TRUVAC FLXX™ is a smaller truck which makes it more maneuverable than a full-size truck. Using the FLXX, provides you the maximum payload, performance, and productivity. Another option is the TRUVAC Paradigm®. It allows you to excavate around utilities safely and efficiently making it the most versatile and innovative sub-compact vacuum excavator on the market. HXX® is a full size TRUVAC. It can meet mid to full-size excavation needs, deliver maximum productivity at the job site, tow trailers, power necessary tools and take on the toughest jobs.

## TRUVAC Prodigy®

Recently, Quality Rents rented a TRUVAC Prodigy to one of our customers. We have more TRUVAC units available to rent. "We offer a full line-up of rental TRUVAC'S from smaller around town units to larger tri-drive units. Our sweet spot for rentals in our marketplace is the mid-size units like the Prodigy, FLXX, and HXX 824. These trucks offer large enough water and debris capabilities, but the ability to move around town with ease," Mike Vislay, Vice President of Key Equipment & Quality Rents. Contact our Rental Manager, Nicci Vislay, or one of our Territory Managers if you are interested in renting any of our equipment.

### EMPLOYEE SPOTLIGHT

Key Equipment & Supply Co. welcomed Blake Propp to our Management Team as Director of Parts in January 2022. Blake uses his experience working at his family's automotive repair shop as a service writer/ manager and his teamwork and leadership skills earned as a hockey player and coach to oversee the Parts Departments at all three of our locations. He has a Business Administration degree from UMSL.

Blake is a former hockey player at St. Charles Community College and the University of Missouri-St. Louis. As a player for SCCC, he won two NCRHA National Championships and was Captain of the team at one of the two. As Alternate Captain at UMSL, his team won the NCRHA Division 1 National Championship. After Blake's college playing career, he accepted a coaching position at SCCC, winning three national championships. He enjoys spending time with his fiancé, Dede, and 7-year-old daughter, Clair. His daughter keeps him busy with several activities including gymnastics, cheer, soccer, and swimming. In Blake's spare time, he enjoys playing hockey and working out.
